ALL BIDDERS PLEASE READ

Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 per cent with their bids, and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. **You must be satisfied. PAYMENT TO BE MADE UPON RECEIPT OF MERCHANDISE.** Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases. If you do not wish coins sent airmail please note this on your bid sheet.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. **PLEASE BID BY THE LOT.** Unlimited bids are executed at an advance of 5 percent over the next highest bid. Numbers in () are the quantity of that item.

If you are interested in any particular coin, we shall be glad to have you write us for full information. **LOTS CANNOT BE BROKEN.** Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

NOTICE TO NEW BIDDERS

Our Mail Sales Are Conducted As Follows:

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL — IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. **Bids you send in are the maximum you are willing to pay for the coin. WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuation placed in the auction catalog are catalog prices, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED. No, you won't receive a nasty letter for returning a coin — instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins for each sale. Whenever this happens, we want it called to our attention to help prevent future errors.

Any coins may be inspected prior to the sale, collector to pay postage and insurance both ways.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

PRICE LIST OF SALE \$1.00**

IS THIS YOUR FIRST AUCTION CATALOG?

21st EDITION (1968) GUIDE BOOK, (1965) PAPER MONEY 5th EDITION
"TRENDS" AND OTHER AUCTION RECORDS USED IN CATALOGING.

Occasionally a collector writes us asking why our estimated values in some instances are higher than the catalog listing. This occurs when the demand is so great and the supply so small that new records are set whenever these come upon the market. If one will take a few moments to reflect, he will understand that it takes several months to compile the necessary information before the catalog can be published, therefore, it is inevitable that the catalog listing will be under the prevailing market price on the items in popular demand at the time of the publication. The estimated prices are entered only after careful examination of various records and publications which reflect the actual and not theoretical values. (PLEASE NOTE THAT MANY OF THE ESTIMATES ARE CATALOG VALUE ONLY. MANY OF THE GOLD COINS, SILVER \$1, WASHINGTON QUARTERS, CURRENCY, ETC. ARE ESTIMATED AT CATALOG). In the final analysis, you the collector, are the one who sets the price.

BIDS ARE RECORDED AS FOLLOWS: Each bid sheet is given a number as it comes in, and the bids are recorded. In the event of identical bids, the first bidder receives the lot. At the last day of the sale, the books are closed with the highest bidder on each lot being awarded the lot at an advance of not over 5% above the next highest bidder. For illustration—the two highest bids received on a lot may be \$17 and \$20. The highest bidder who bid \$20 would receive the lot at \$17.50. We act as your agent and use your bids as a limit—not as a final bid unless we are forced to do so to obtain the lot. We accept unlimited bids which generally assures the bidder of obtaining that lot regardless of what the highest bid may be. Where the lot is bringing far more than we believe it is worth, or in the event of two unlimited bidders on the same lot, we notify the unlimited bidders by phone or wire, if necessary, in order to obtain a fixed limit to the bid. Even tho auction purchases are supposed to be final, we do not want you to keep any lots which you believe are improperly described. We endeavor to treat our customers as we would wish to be treated. We try to keep it on a friendly basis and value the many friends we have made thru the years. If you have any complaints, we want to hear them, as well as any compliments.

Please allow up to two weeks for receipt of coins, unsuccessful bidder will be notified.

YOUR SUCCESSFUL BIDS WILL INSURE YOUR RECEIVING
SUCCESSIVE CATALOGS WITHOUT INTERRUPTION

BARGAINS

In every sale, some lots go at "bargain prices." May we suggest that in addition to bidding on those lots you "really want," you place nominal bids on those lots that "you might buy if they went at bargain prices." While you may not obtain many of these "bargain lots", yet in every sale you may pick up some real bargains.

Sincerely,

A. M. KAGIN and PAUL KAGIN

YOU MUST BE SATISFIED

Our Sales Are Cataloged With You in Mind. If you have any suggestions, complaints, (yes we receive some now and then), we want to hear them. Having catalogued over two hundred seventy-five successful coin sales, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know-it-all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 10c airmail stamp to find out what we would pay for your outstanding pieces? Naturally we buy collections, too.

SOMETHING NEW HAS BEEN ADDED

We wish to call your attention to the new service extended as per the bottom of the bid sheet. After receiving requests to apply the amount saved in the awarding of successful bids below the bids authorized we decided to avail this service to all of our clients. It is often exasperating to lose a lot by a few nickels when the amount saved on the successful bids would have been sufficient to increase the original bid to the point necessary to receive the lot. Check the bottom of your bid sheet.

FRACTIONAL CURRENCY

issued in 3c to 50c denominations to alleviate the shortage of change during the CIVIL WAR and post Civil War periods. The changes in design, paper and overprints were

necessitated by the serious counterfeiting. We note an increasing difficulty in recent years in obtaining choice specimens. Judging from the increased demand in this historical series, present prices should become obsolete in the not too distant future.

DEMAND NOTES OF 1861

The only U. S. notes not having Treasury Seal or signatures of Treasurer and Register. Since these were payable IN GOLD ON DEMAND and circulated during the CIVIL WAR along with the legal tender issue of 1862-63, they had a substantial premium over face. Practically all were redeemed with very few surviving. What few still exist, are mostly in poor to good condition.

173 . . \$5 F-2, Philadelphia, fine appearing (bright color) with usual repairs. Superior to most specimens seen. Probably worth near very good catalog price of	325.00

271 . . \$50 1863 F-150, Hamilton, NEW, BRIGHT COLOR, NICE MARGINS! A remarkably choice specimen of this RARITY! Acquired as "FINEST KNOWN-GREAT RARITY". Easily worth over 3,000.00

272 . . \$50 1863 F-150, Duplicate, worn and repaired but legible. RARE. Catalogs v.f. 900.00

273 . . \$50 1869 F-151, Henry Clay bust, "type" note with distinctive obverse and reverse used only on this single issue, worn and repaired but legible. Catalog states "THIS NOTE IS EXTREMELY RARE, AS ONLY 24 NOTES ARE REPORTED OUTSTANDING ON U.S. TREASURY BOOKS". Catalogs v. f. 2,750.00

274 . . \$50 1878 F-154, Franklin & Columbia, ornamental "L", very good with slightly frayed edges. RARE. Catalogs v. f. 650.00
 275 . . \$50 1880 F-156, No "L", large brown Spiked seal, plate 1, WYMAN-BRUCE rather than Bruce-Wyman as listed in catalog, extremely fine (acquired as "About Unc."). Cost \$495 in 1964; could now realize closer to 600.00
 276 . . \$50 1860 F-164, Small red scalloped seal, Plate 1, new, crisp with nice color and margins. RARE. Easily worth 750.00

\$100 LEGAL TENDER NOTES

277 . . \$100 1878 F-171, Lincoln & Architecture (allegory) ornamental background. background. LOT 168 OF THE FAMOUS GRINNELL SALE described there as "strictly very fine" (note from Grinnell sale states "very few of these notes to choose from. They are very rare"). This note was acquired early 1965 as "EXCESSIVELY RARE" and as "Extra Fine" at \$1500; we are in agreement as to its rarity and value and believe it should now realize over \$1600, possibly 1,750.00

278 . . \$100 1860 F-173, Large brown Spiked seal and other changes, very fine. RARE! Seldom offered! Somewhat rarer than catalog indicates. Very few have passed thru our hands in our thirty-five years as professional numismatists (what few we have handled were in poor to very good with one exception). Acquired 1964 as "VERY RARE" at 675.00
 279 . . \$100 1860 F-179, Small red scalloped seal, very good (pinholes). Catalogs v.f. 425.00

\$1,000 1880 LEGAL TENDER NOTE

- 280 . . \$1,000 1880 F-187-k, Vernon - Treat, head of DeWitt Clinton (govn'r, mayor, senator N. Y.) and Columbus seated, red seal, new, repaired at left. IT IS INDEED AN OCCASION WHEN A \$1,000 NOTE IS OFFERED! How many have you seen? Certainly a "Show-Stopper" and "conversation piece" when displayed. Acquired as "EXCESSIVELY RARE" at \$5,000.00. What its present value might be is pure conjecture, possibly a minimum of 7,500.00

\$10, \$50 COMPOUND INTEREST TREASURY NOTES

Very few specimens have survived intact due to the overprint "COMPOUND INTEREST TREASURY NOTE 10" surcharged in bronze ink on the notes causing the paper underneath to disintegrate. Issued under acts of March 3, 1863 and June 30, 1864 and bear signatures of Colby-Spinner or Chittenden-Spinner plus red overprint of date issued.

- 281 . . \$10 Act of 1864, F-190, worn but quite legible and nice margins, usual disintegration of paper (caused by ink overprint), preserved by same method used in preserving U. S. Constitution. The note is basically fine except for the small disintegration portions. RARE. Catalogs fine 1,000.00

- 282 . . \$50 Act of 1863, F-192, Overprinted June 10, 1864, head of Alexander Hamilton, usual disintegration of paper (caused by ink overprint), preserved by same method used in preserving U. S. Constitution. Quite legible except for disintegration). The catalog states, "THE 50 AND 100 DOLLAR NOTES ARE OF GREAT RARITY". The catalog value of \$2,500.00 for fine is nominal since so few specimens are known (we can count on one hand the specimens we have seen in all our thirty-five years as professional numismatists including our 278 sales). Literally, ::A CHANCE OF A LIFETIME."

- 283 . . \$100 Act of 1864, F-193, Overprinted December 15, 1864, standing figure of Washington, usual disintegration of paper (caused by ink overprint), preserved as above two notes. Fairly legible altho dinintegration progressed somewhat further. AS RARE IF NOT RARER THAN THE \$50! Literally, "A CHANCE OF A LIFETIME". Catalogs only in fine at 3,500.00

\$50 1865 THREE YEAR INTEREST BEARING NOTE

- 284 . . \$50 Act of 1865, F-212-d, Overprinted at left "The Government reserves the right of paying in COIN the interest on this Note at the rate of six per cent, per annum." "50" Overprinted reverse, some disintegration of paper altho not too bad, preserved similar to the other interest bearing notes. No price in catalog; instead "EXTREMELY RARE". In a ratio of values, this should have at least a catalog value in fine of 5,000.00

\$10 1879 REFUNDING CERTIFICATE

- 285 . . \$10 1879 F-214, Franklin bust, near new, crisp (only faint traces of creases) nice margins, bright color. A superior specimen of this popular "type" note mounted in plastic for display. Letter from TREASURY DEPARTMENT, Washington, January 21, 1929 to Cashier, The Union National Bank, Houston, Tex. —"Refunding certificates issued by the United States in the face amount of \$10 are payable at the office of the Treasurer of the United States at their face value with interest accruing from April 1, 1879 to July 1, 1907, their maturity date, in the amount of \$11.30. — Treasurer's check in the amount of \$21.30, in payment therefor, will be issued and forwarded as may be requested. Respectfully, W. O. WOODS, Treasurer. Countersigned: C. M. Learst, Chief, Division of Securities". This unusually choice note is worth at least \$1500 but the accompanying letter gives it added value of at least \$250 for a total value of at least 1,750.00

\$5 1849 MORMON "GOOD AS GOLD" NOTE SIGS. J. SMITH B. YOUNG

- 288 . . \$5 1837 RE-ISSUED 1849 by Mormon Church authorities AT GREAT SALT LAKE, State of Deseret beginning January 10 continuing to fall same year. Originally issued 8 March, 1837 and signed by **JOSEPH SMITH**, Cashier (FOUNDER OF MORMON CHURCH) and **SIDNEY RIGDON**, President (first counselor to Prophet Smith).

COUNTERSIGNED BY:

BRIGHAM YOUNG, President of Mormon Church

H. K. Whitney, Presiding Bishop of Mormon Church

H. C. Kimball, of the Church First Presidency

VALIDATED BY:

A penned "secret mark" (letter "B") of Thomas Bullock, **MORMON COINER**, and a symbol over the Plate Letter.

The above, plus the following information was contained in a page ad of New Netherlands in August 1961 Numismatist.

THIS EXCESSIVELY RARE MORMON PAPER CURRENCY WAS — (A) A true emergency issue, issued concurrently with the small printed 1849 notes, and intended to supplement them. Both were retired, as the Mormon gold coins appeared. (B) A fulfillment of Joseph Smith's prophecy that one day the Kirtland notes "WOULD BE AS GOOD AS GOLD". (The Kirtland bank failed). Only 129 \$5 countersigned Kirtland notes were issued; THE MAJORITY WERE REDEEMED September 1849 thru May 1850 AND WERE DESTROYED!

These notes are **THE ONLY MORMON ITEM WITH SIGNATURES OF BOTH JOSEPH SMITH and BRIGHAM YOUNG**, the founder and the leader of the Church of Latter-Day Saints. The ad (1961) stated ONLY FOUR NOTES WERE AVAILABLE. Their specimen was fine to very fine at \$350; this note is in similar condition (possibly the same note?). We did see a specimen (similar condition; same note?) valued \$750; surely this GREAT HISTORICAL RARITY five years later should now exceed

1907 "PANIC" (DEPRESSION) SCRIP OF SAN FRANCISCO

360 . . Booklet "THE SAN FRANCISCO CLEARING HOUSE CERTIFICATES OF 1907-1908" by Carl Copping Plehn, professor of Finance, University of California, Berkley, January, 1909, publications of the Academy of Pacific Coast History, Vol. 1, No. 1". Contents, "In October, 1907, the banks in San Francisco experienced great difficulty in securing coin to supply the needs of the community, etc." "Two means of meeting this stringency were applied; legal and special holidays, and issue of Clearing House certificates". "They (certificates) were first issued November 4, 1907, and having been hurriedly prepared to meet an EMERGENCY, were without protective design in engraving, although printed on "protected" paper." "These ("old issue") were replaced a WEEK later by a new issue protected on back as well as on front with elaborate engraving." "For as long as any bank had scrip outstanding it bore the 8 per cent interest charge thereon. Banks using little scrip profited most. The plan worked beautifully, the circulating scrip being driven in rapidly after the greatest tension was over." "The general aversion of the public in California to any kind of paper money, even to bank notes, aided greatly in the redemption of the scrip, which was returned to the banks as promptly as possible. By time of publication of this booklet (Jan. 1909) less than ¼% (.00¼) of the old issue and less than 1% of the new issue were still outstanding. "To overcome the tendency to hold these as souvenirs the Clearing House has arranged to exchange them for certificates that have been cancelled."

1900-1901 LESHER REFERENDUM DOLLARS

These privately issued Silver Coins of the West are listed in the Guidebook after the privately issued Gold Coins of the West. They circulated mainly in Colorado but also saw some use in Nevada and Nebraska. As stated in the Guidebook, "All are quite rare, many varieties extremely rare." They seem to be increasing in popularity.

754 . .	1900 First type, no business name, "A COMMODITY, Will Give In Exchange CURRENCY COIN, or Merchandise At Face Value", "Jos. Leshner's Referendum Souvenir, One Oz of Coin SILVER, Price 1.25 MFGD Victor, Colo. 1900", 8-sided, date side fine to vey fine, other side good to fine (unevenly worn). ONLY 100 ISSUED! A leading authority has stated, "I doubt IF AS MANY AS ONE DOZEN OR SO STILL EXIST" Acquired several years ago at	250.00

1900-1901 LESHER REFERENDUM DOLLARS (Cont.)

- 755 . . 1900 New type with Mining Scene, A.B. Bumstead, no scrolls at sides, near uncirculated. ONLY 1000 STRUCK. 275.00
- 756 . . 1901 Imprint "GEO. MULLEN, VICTOR, COLO., Prooflike surface with lovely blended blue and golden patina. Variety with serial number. **"ONLY 10 KNOWN"** plus 2 known without serial number. Just about equal to the specimen in our January sale which realized \$1100.00. That offering induced the owner of these outstanding pieces to part with his (together with the other coins). We believe the increasing acceptance of this series will send this rarity to at least 1,250.00

1901 W. C. ALEXANDER — LESHER DOLLAR

- 758 . . 1901 "W. C. ALEXANDER, JEWELER, SALIDA, COLO.". Acquired as **"UNIQUE VARIETY WITH "SALIDA" HAVING NORMAL "A" IN BOTH "A"s OF SALIDA IN PLACE OF INVERTED SECOND "A" IN SALIDA**, rather close to uncirculated with only slight evidence of friction". Acquired as **"5TH SPECIMEN KNOWN"**. We do not know how many are known as some authorities list it as **"RARITY 8"** (up to 4 known) while one claims 7 as known. The references did not know of this variety with the normal "A"s, therefore we cannot question its attribution as a **UNIQUE variety**. The inverted "V" variety was contained in the outstanding offering in our January sale and fetched \$1030.00; surely this **GREAT RARITY** worth closer to 2,500.00

1901 W. F. WHITE — LESHER DOLLAR

- 759 . . 1901 W. F. WHITE MERC. CO., GRAND JCT., COLO., near uncirculated with much luster. **"ONLY FOUR SPECIMENS ARE KNOWN"**. The outstanding offering in our January sale contained a specimen a trifle superior but it had a tiny planchet imperfection. It realized \$1850.00; this specimen should surely realize closer to 2,500.00

Only the barest trace of friction keeps us from accepting the "Uncirculated" grade. The fantastic Brobston collection sold in 1963 did not have a comparable specimen! Even light tan obverse with a light brown reverse. Acquired 1966 at 1,500.00

1120 . . **1847 FIRST RESTRIKE, REVERSE OF 1856, GLITTERING RED OBERSE, GLITTERING RED AND BLUISH REVERSE. A LOVELY PROOF INDEED OF THIS EXCEEDINGLY RARE COIN! ACQUIRED 1966 AS "EXCESSIVELY RARE — NOT IN THE CELEBRATED BROBSTON COLLECTION (the most complete collection ever assembled)." There is a price of \$2,500.00 on the envelope. In talking with the owner, he stated, "No, I did not pay \$2,500.00 for it but the dealer who sold it to me said he felt that such a rare coin should be worth \$2,500.00." We have no records on this rarity, therefore hesitate to make any estimate as to its value. As B. Max Mehl (Ft. Worth) would say, "I do not know which is rarer, the coin or the opportunity to acquire it." The Brobston collection did contain an 1845 first restrike (2 known) which sold then (five years ago) at \$1,450.00. It is possible that the value of \$2,500.00 for this great rarity is "in line".**

1121 . .	1848 First Restrike (reverse of 1856) bluish brown, barest trace friction. RARE. Acquired 1963 at	525.00
1122 . .	1849 Large Date, reddish brown Uncirculated, leaves not struck up. Cat.	100.00
1123 . .	1850 PROOF which has been cleaned (close examination reveals the characteristic Broad "square" edges and sharpness generally associated with a proof). Lovely reddish purple patina. While some of the mirrorlike surface has been removed in cleaning, enough adheres to make it a highly desirable specimen. VERY RARE. The Brobston coin (uncleaned) sold in 1963 at	400.00
1124 . .	1851 Uncirculated reddish orange and brown (probably cleaned but now acquiring a more natural color) faint rub. Catalogs	55.00

1125 . . **1852 First Restrike (small berries) MAGNIFICENT RED AND BLUISH PROOF. A joy to behold! The Brobston specimen five years ago was \$625; surely this GEM should now exceed**

750.00

1126 . .	1853 Uncirculated with pleasing iridescent color, wire edge. Catalogs	60.00
1127 . .	1854 Uncirculated brown, faint rub. Catalogs	65.00
1128 . .	1855 Near uncirculated, sharp.	50.00
1129 . .	1856 MAGNIFICENT RED & BLUISH GREEN PROOF! The Brobston specimen was \$475; surely this remarkable specimen now worth closer to	600.00
1130 . .	1857 Uncirculated mint red shading to brown. Scarce.	100.00

| 1132 . . | 1793 S-6, WREATH, Vine & Bars edge, famous "Sprung Die" variety. | 1138 . . | 1794 S-61, Short right stem, acquired as "borderline extra fine very close to Condition Census ". Dr. Sheldon states, "There may be no more than another half dozen between 40 and 20, this variety is poorly represented at the VF level." RARE (Rarity 4). | 400.00 |

We note Sheldon lists a "30" coin as Fifth Finest Known in CONDITION CENSUS and a "20" as Sixth Finest, therefore this now becomes the SIXTH FINEST KNOWN IN CONDITION CENSUS . RARE. (Upper range R-4). Probably now worth closer to	350.00

HALF DIMES

<p>1221 . . 1792 HALF DISME, acquired 1964 as "Nearly Uncirculated with Lovely Blue Patina, small nick on reverse. One of the choicest specimens known! It has now been definitely established that George Washington donated his silverplate to provide the silver used in making these coins! Washington, in his message to Congress in November, 1792 mentions these coins as "a start has been made on coinage." IMPORTANT BOTH HISTORICALLY AND NUMISMATICALLY. We note the Guidebook values fine specimens at nearly double that of good and very fine nearly double the fine. This choice specimen worth over \$2,500.00; maybe closer to \$3,000.00." There is a double demand for this coin - those collecting First United States Mint Issues (page 58 Guidebook; it is the only 1792 Mint Issue that is not "prohibitively expensive to acquire") - and the first half dime. In addition, it is a "type", being completely different than the others.</p>		
1222 . .	1794 NEW COMPLETELY DIFFERENT TYPE, 15 Stars (states) Flowing Hair, about very fine in appearance but close examination with a glass reveals some clever repair work. Popular type. Catalogs v.f.	650.00

1224 . .	1797 DRAPED BUST, SMALLER EAGLE 15 stars, extremely fine and CHOICE. As typical of this variety, the eagle is not fully defined, also the back of the neck of the bust. A most elusive "type", particularly above fine condition. Acquired about three years ago when it was valued	1,000.00
1225 . .	1801 LARGE HERALDIC EAGLE, good to very good, uneven wear resulting in parts being good and balance very good (part motto shows, date bold, etc.). SCARCE.	175.00
1226 . .	1803 Basically very fine but top hair strands not struck up as sharply as balance of coin, under a glass there are some faint "mint equalization marks" (done at mint to bring the coin down to its proper weight rather than going to the expense of melting and recoining overweight coins). Rare so choice. Catalogs	375.00
1227 . .	1805 Very fine with characteristic (on every genuine specimen we have seen in our 35 years as professional numismatists) light struck lower portion of bust and corresponding spot of reverse. VERY RARE. In fact, THE SECOND RAREST DATE HALF DIME BEING NEXT TO ONLY THE 1802 IN RARITY! It is as rare as the 1799/8 1c! Catalogs low at only	725.00

1236 . .	1839 OVER 8, BRILLIANT UNCIRCULATED. A Choice specimen of this RARITY. We note the Guidebook now acknowledges the existence of the 1839 overdates in the \$2½ gold. 1796 QUARTERS

- 1335 . . 1796 SMALL EAGLE, acquired as "fine" but it is not quite that. Obverse is just about fine, wing tip of eagle on reverse not fully struck up. An acceptable specimen of this one date of type coin. RARE. Catalogs fine 2,150.00
- 1336 . . 1796 Duplicate in fair condition. Uneven wear resulting in some of LIBERTY and a few stars not legible, reverse partly legible. RARE. Cost \$475 but now catalogs 525.00

CHOICE 1756 QUARTER

- 1337 . . 1796 SHARP STRUCK WITH FULL EDGE BEADING! A lovely specimen. Close examination with a glass leads us to believe that at some time in the past the coin was cleaned but it has since acquired a natural appearing golden patina. We believe that the cleaning was done by a novice as it resulted in very faint traces of rubbing (discernable only with a very strong glass). Still, as we stated, it is indeed a lovely specimen. Catalogs \$5,750.00 but we have seen uncleaned similar specimens at 7,500.00. It is difficult to know what an attractive specimen such as this will actually bring.

DRAPED BUST, HERALDIC EAGLE QUARTERS 1804-1807

- 1338 . . 1804 Good to fine, uneven wear. Left stars, LIBERTY, date and most of bust very good; right stars only partly legible. About three fourths of reverse very good to fine (motto clearly legible) but lower left bottom edge not legible. Clever repair. Probably worth close to good price of 165.00
- 1339 . . 1806 OVER 5, on plastic lettered "PROOF". It does have a lovely blue prooflike surface but close examination with a glass reveals it was struck from worn dies (which seems typical of most specimens we have seen in our 35 years as professional numismatists). The owner had acquired it as a "proof" and valued it at \$2,500.00. If it were a true proof, perhaps his valuation might not be amiss but we can only catalog a coin as we feel it to be. Probably a more realistic price would be 1,000.00
- 1340 . . 1806 "1 OVER 1" Variety, virtually Unc., only barest friction. RARE. The "common" variety 1806 catalogs unc. 750.00
- 1341 . . 1807 Very fine. Popular for "type". SCARCE. Catalogs 245.00

- 1345 . . 1819 Large 9, just about very fine. Catalogs 80.00

SILVER DOLLARS 1795 TYPE I

1740 . . 1795 FLOWING HAIR, B-7, 3 leaves beneath each wing, extremely fine. RARE VARIETY.	750.00
1741 . . 1795 Similar type but 2 leaves, B-9, struck on a granular planchet which seems to be a "Hallmark" of this variety, near Uncirculated, choice. VERY RARE VARIETY.	1,500.00

MAGNIFICENT 1795 TYPE II DOLLAR

1742 . . 1795 DRAPED BUST, SMALL EAGLE, B-15. Acquired 10 years ago as "Head properly centered, 6 berries, letters not bifurcated. **MAGNIFICENT PROOFLIKE SPECIMEN** (acquired as a **PROOF** which it may well be.) We note Bolender calls his B-16 a **PROOF**. Lovely blending of blue, purple, and golden toning. Regardless of what it is called (**PROOF, MASTER-COIN, PRESENTATION PIECE ETC.**) we cannot help but feel that this remarkable specimen was made for either a collector or museum. In addition, this is a very rare variety. Easily worth the asking price of \$1,500.00." It changed hands again to its present owner 3½ years ago at \$3,500.00. With the sharp increased demand for top-grade early U. S. coins, this most unusual coin could now realize closer to 5,000.00

1796-97 SILVER DOLLARS

1743 . . 1796 B-5, Large Date, small letters, UNCIRCULATED WITH PLEASING PATINA. VERY RARE SO CHOICE! Easily worth	1,750.00
1744 . . 1797 B-1, 9x7 Stars, UNLISTED very advanced state of die breaks with breaks before face from hair to below chin, die starting to give way at 7th & 8th stars and U of UNITED (opposite on reverse) extremely fine. VERY RARE.	1,000.00
1745 . . 1797 B-3, 10x6 Stars but letters not bifurcated, extremely fine. VERY RARE VARIETY. The smallest issue of any date 1795-1803!	1,000.00

1746 . . 1797 B-2, 9x7 Stars, **SMALL LETTERS**, acquired 3½ years ago as "**THE RAREST LISTED MAJOR VARIETY OF ALL THE EARLY DOLLARS 1794-1803 WITH THE POSSIBLE EXCEPTION OF THE PROOF RESTRIKES. VERY NEAR IN RARITY TO THE 1804 DOLLAR ALTHOUGH NOT AS MANY ARE IMPOUNDED IN MUSEUMS, FOUNDATIONS, ETC.**" This is an attractive extremely fine specimen with only a nominal amount of wear, traces of luster, nice toning. **ONE OF THE CHOICEST OF THE VERY FEW SPECIMENS TO PASS THRU OUR HANDS IN THE 35 YEARS WE HAVE BEEN PROFESSIONAL NUMISMATISTS.** In fact, we have handled fewer than we have of the 1794! Cost \$1,500.00 3½ years ago, probably now worth over

2,000.00

1798-1803 SILVER DOLLARS

1747 . .	1798 B-2, 15 Stars obverse combined with 1796 reverse die with small eagle and SMALL LETTERS. As characteristic of this die, the eagle and fore-hair are not struck up as sharply as the balance of the coin. Near uncirculated with traces of luster, planchet break (as struck) on reverse edge (not visible from obverse). VERY RARE. One of the choicest specimens we have seen of this rarity! Easily worth over	1,000.00
1748 . .	1798 B-1, 13 Stars obverse, SMALL EAGLE reverse, Large Letters, a choice and sharp very fine specimen of this rarity. Greatly undervalued in keeping with its rarity. The Wolfson specimen over 5 years in a New York sale (comparable condition) realized \$320 even tho it was estimated at \$250; surely this rarity now worth over	500.00
1749 . .	1798 B-27, Large HERALDIC EAGLE, close date, high 8, lovely bluish golden UNCIRCULATED. Well-centered and nice strike. Well worth	1,250.00

1751 . .	1798 B-22, Very Wide Date (8 touches bust) spur on 9, characteristic die break thru E of STATES and OF, near Uncirculated, some luster. Catalogs unc.	725.00
1752 . .	1799 OVER 98, B-2, normal 13 Stars reverse, interesting die break thru D of UNITED, a choice, sharp near Uncirculated specimen with attractive patina. RARE (Rarity 4). Worth very close to the low catalog value for unc. of	750.00
1753 . .	1799 OVER 98, B-3, error die with 15 stars reverse (first and last stars partially covered with clouds) variety with DOUBLE ROW DENTICLES lower right obverse edge. A magnificent virtually Uncirculated specimen showing only the barest rubbing. VERY RARE (Rarity 5). AT LEAST 4 TIMES AS RARE AS THE 1799/98 13 STARS reverse (2 die combinations. B-1 (Rarity 5) and B-2 (Rarity 4) Could very well be CONDITION CENSUS as we can count on one hand the comparable specimens we have seen in our 35 years as professional numismatists. Easily worth	850.00
1754 . .	1799 B-4a, 15 STARS reverse, irregular date, late die state (which we call B-4a) with more and heavier die breaks than listed in Bolender (resulting in some hair strands not being fully struck up) extremely fine with traces of luster. Leading authorities now confirm that this is a RARITY 5 (VERY RARE) "type coin" rather than Rarity 4 as thought by Bolender when he wrote his book some years ago. Since only the one die combination was used for this major variety, it is GREATLY UNDERVALUED. Easily worth over	500.00
1755 . .	1799 B-5a, Variety with missing left corner of U in UNITED, golden UNCIRCULATED. RARE (Rarity 3).	850.00
1756 . .	1799 B-8a, N-I variety ("U N-I T E D") very fine. RARE.	250.00
1757 . .	1799 B-10, Large Berries variety, extremely fine.	300.00
1758 . .	1799 B-12, NO BERRIES, similar to B-12a but die break from 9th star to border beginning to develop but none of the additional die breaks described by Bolender in B-12b are visible, just about very fine. VERY RARE (B-12a and B-12b are Rarity 4).	300.00
1759 . .	1799 B-23, 8x5 STARS (similar to \$10 1799 star arrangement) very fine. VERY RARE TYPE (Rarity 5) with only the single die combination. Catalogs somewhat low at	250.00
1760 . .	1800 B-10, Very Wide Date, Low 8, Uncirculated golden. Catalogs low at	625.00
1761 . .	1800 B-14, Dotted Date variety, near Uncirculated, luster. RARE (Rarity 3).	450.00

1766 . .	1802 OVER 1, B-1, Close overdate, Only 12 Arrows, near Uncirculated with luster. VERY RARE (Rarity 4).	550.00

1798-1803 SILVER DOLLARS (Cont.)

1767 . .	1802 B-6, Date 18 02, variety with right foot of T in LIBERTY missing, a lovely UNCIRCULATED specimen with blended blue and gold patina. In a box marked "Perfect Date, Newcomb-Green, Superb".	1,000.00
1768 . .	1803 B-5, Small 3 with 3 TOO HIGH, virtually Uncirculated, only slight friction. VERY RARE (Rarity 5). Easily worth	650.00
1769 . .	1803 B-6, Large 3, Rotated reverse, about fine. The normal 1803 Large 3 variety catalogs fine \$140, certainly this rotated variety worth	160.00

1836 "C. GOBRECHT" IN FIELD

1770 . .	1836 Liberty Seated, no drapery from elbow, NO STARS obverse, "C. GOBRECHT" in field between base and date, reverse Eagle flying left amid stars, plain edge. ONLY 18 STRUCK! The first Gobrecht dollar listed in the Guidebook. NOT PRICED IN GUIDEBOOK DUE TO RARITY! The next Gobrecht (lot 1771) of which the Guidebook lists 1,000 as being struck, catalogs \$1,900.00. The last Gobrecht (1839 reeded edge) of which the Guidebook lists 300 as being struck, catalogs \$3,750.00. Using this ratio of values, surely the rarity and popularity of this first of the Gobrechts should entitle this CHOICE PROOF to a catalogs value of around	6,000.00

1836 - 1839 FLYING EAGLE DOLLARS

1771 . .	1836 Similar but name on base, plain edge, BLUE PROOF. While scarce (Guidebook lists 1,000 struck) this is the most common variety. We note the Guidebook has advanced its valuation from \$1,750 last year to its present \$1,900.00. The valuations were assembled well over six months ago early in the year, therefore we feel it is now worth over	2,000.00
1772 . .	1839 Designer's name left off, 13 stars added around obverse border, plain reverse field with eagle, BRILLIANT PROOF with only a short line in the field to mar its perfection. RARE! Only 300 struck. Catalogs	3,750.00

1840-65 NO MOTTO SEATED LIBERTY DOLLARS

We note the new Guidebook reflects the popularity of this series with higher valuations. Since these valuations were assembled many months ago, the continued popularity of this series is sending some to new records.

PROOF 1892, 1893 COLUMBIAN HALVES

1986 . . 1892 PERFECT PROOF WITH GLITTERING BLUE PATINA, BROAD RAISED BORDER BOTH SIDES, WIRE EDGE, CAMEO SHARP. Definitely struck from polished dies on polished planchet as on regular 1892 proof Liberty Head half dollar. Similar in nature to the BRILLIANT PROOF displayed at the P.N.G. convention. \$10,000.00 was paid for that specimen and it belongs in the Field Museum of Chicago. That specimen and this one are not to be confused with the "first strikes" sold as proofs. At any rate, this specimen is completely differed from those usually sold as proof and gives evidence of special manufacture. It IS AS RARE AS ANY OF THE SPECIAL PROOF COMMEMORATIVES STRUCK! 2,500.00

1987 . . 1893 GLITTERING GOLDEN PROOF. Similar to the 1892 but not as perfect. "SQUARE" RAISED EDGE as on regular proofs. Superior in manufacture to the usual "proof" sold of this variety. 1,500.00

PROOF 1893 ISABELLA QUARTER

1988 . . 1893 Glittering bluish golden PROOF! 350.00

1928 HAWAIIAN PROOF

1989 . . 1928 HAWAIIAN SANDBLAST PROOF PRESENTATION PIECE (as listed in Guidebook). Of the 50 struck 40 years ago, only a very few have survived! Prior to its inclusion in the Guidebook in recent years, the knowledge of this very rare piece was limited. As a result, a number of former proofs are now "about unc." The unknowledgeable owners cleaned them to make them "more brilliant". Records are few and far between. Probably now worth around 2,000.00

1938 NEW ROCHELLE PROOF

1990 . . 1938 Brilliant slightly bluish "PROOF". Struck on a polished planchet but appears to have been struck under ordinary pressure rather than the greater pressure generally used for regular proofs. Probably more in the nature of a "Presentation Piece" rather than a true proof as is the remarkable 1892 Columbian half dollar. The owner states that it originally came in a presentation container but he has misplaced it. The Hydeman Collection (1961 March auction by Kosoff) had a similar specimen which fetched \$310 seven years ago. This acquired "3 or 4 years ago" at \$500 could now realize closer to 750.00

1935 PONY EXPRESS GOLD PROOF

1991 . . 1860-1935 Pony Express Diamond Jubilee, half dollar size (see lot 1984) but STRUCK IN GOLD, CHOICE PROOF with top portion BRILLIANT and bottom portion in MATTE PROOF finish. We cannot find any record recent enough to be meaningful. Acquired some years ago at \$175; probably now worth \$250 to 300.00

PROOF GOLD COMMEMORATIVES

Our November, 1967 sale contained some of these remarkable coins. The consignor of these following specimens saw that sale and as a result, we are privileged to present these elite coins. The Guidebook in recent years has acknowledged the existence of proofs in the 1903 Louisiana issues but has neglected the 1904-05 and 1916 issues (possibly due to their great rarity). The Standard Catalogue of U. S. Coins lists the 5 different issue proofs.

PROOF GOLD COMMEMORATIVES (Cont.)

1992 . . 1903 \$1 Jefferson, GLITTERING PROOF WITH SOME PATINA, RAISED "SQUARE" EDGE BOTH SIDES, pinpoint nick. ONLY 100 PROOFS STRUCK! A leading authority states, "I doubt if more than a dozen or so still exist". Our 264th sale contained a specimen which realized \$1,600.00. The one in our 274th sale (Nov. 1967) realized \$1,750.00. This present one could now realize closer to	2,000.00
1993 . . 1903 \$1 McKinley, GLITTERING PROOF but under a strong glass faint rubbing in field is evident. ONLY 100 PROOFS STRUCK! Our Nov. 1967 sale contained a specimen in the original Presentation Frame and it realized \$2,375.00. This one probably worth around half.	
1994 . . 1904 \$1 Lewis & Clark, BRILLIANT PROOF WITH "SQUARE" EDGE BOTH SIDES. A lovely specimen indeed of this GREAT RARITY! Lot 538 of the Lahrman Collection (1963 Num. Assn. of So. Calif. Convention Sale — sold by Kosoff) and there sold as a PROOF. A leading authority states, "I doubt if more than half a dozen or so still exist." The most recent record for this GREAT RARITY was the one in our Nov. 1967 sale which realized \$2,600.00. We believe it should now realize over	3,000.00
1995 . . 1905 \$1 Lewis & Clark. Acquired as a BRILLIANT PROOF, we believe it to be a "Presentation Piece" rather than a full proof as in the previous lot. It has a lovely proof surface (struck on a polished planchet) but it does not have the sharpness of striking generally associated with a full proof. We believe special care was given to its manufacture and that it was struck for "Presentation Purposes" but that not all the steps were taken as when striking full proofs. If it were comparable to the 1904, we would not hesitate to value it at \$3,000.00 but since it is not, we believe it to be worth somewhere between \$1,000.00 and	1,500.00
1996 . . 1916 \$1 McKinley, BRILLIANT PROOF WITH WIRE EDGE, light mark in field, sharper struck than "normal" strike VERY RARE. Also listed in Standard Catalogue of U. S. Coins. The specimen in our Nov. 1967 sale had a light line on cheek and realized \$1,000.00 We believe its present value to be over	1,100.00
1997 . . 1917 \$1 McKinley, BRILLIANT PROOF WITH WIRE EDGE, sharper struck than "normal" strike. The one in our Nov. 1967 sale realized \$1,000.00. We believe its present value to be over	1,100.00

HALF EAGLES (\$5 GOLD)

2077 . .	1796 OVER 5, SMALL EAGLE, while probably "Uncirculated" in the sense that the coin was not circulated, under a glass it shows faint traces of rubbing. The old-time "cabinet-friction" (acquired by sliding on the velvet in the old coin cabinets). A choice and sharp appearing specimen in strong demand for "type". Catalogs a bit low at	2,800.00

\$3 GOLD

This elusive denomination seems to be offered less and less frequently, particularly in the higher grades. We note a \$50 advance in the catalog value over that of last year, in the uncirculated grade of the "commonest" date from \$300 to \$350.00. We feel it advisable to obtain your "type" coin or fill your complete date set at this time, in face of the continued strong demand.

2091 . . 1854 TYPE I, tiny "dollars", MAGNIFICENT PROOFLIKE GEM WITH WIRE EDGE! Perhaps an equal specimen exists but certainly no superior one! \$1,000.00 is marked on the envelope containing this remarkable specimen. Whether this is the owner's "insured value" or his opinion of its value (perhaps his cost?) we do not know. Certainly, in this condition, it is exceedingly rare!

2097 . .	1868 GLITTERING PROOF WITH SOME PATINA. ONLY 25 STRUCK!	2,000.00
2098 . .	1869 Uncirculated with some patina, pinpoint nick restrains us from additional adjectives. RARE! We wonder how long the ratio will continue of pricing this 2,525 issue at only \$75 more than the 82,324 issue of the "common" date (if any \$3 can today be called common). Catalogs a mere	425.00
2099 . .	1870 Very fine (porous planchet). ONLY 3,535 STRUCK nearly a century ago. How many can still survive?? Catalogs low at	275.00
2100 . .	1871 PROOF WITH PATINA, tiny nick. ONLY 30 STRUCK! Catalogs	1,900.00
2101 . .	1872 Acquired 1961 as a "Rubbed Proof" at \$550.00. While the catalog presently lists a proof at \$1,900.00, the rubbing make us unable to fully ascertain the full nature of its manufacture. With a total issue of only 2,000 regular strikes plus a mere 30 proof strikes, it should certainly be worth its cost of	550.00
2102 . .	1874 Brilliant Uncirculated, Wire Edge. Catalogs \$350 but have recently seen a specimen without the wire edge priced	395.00

2106 . .	1882 Uncirculated with some glittering prooflike surface, wire edge. ONLY A TOTAL OF 1576 ISSUED (including proofs). Should certainly be worth over	600.00
2107 . .	1883 PROOF WITH PATINA, tiny nick. ONLY 900 REGULAR STRIKES PLUS 89 PROOFS ISSUED IN ALL! The THIRD SMALLEST ISSUE \$3 OF THOSE ISSUED FOR CIRCULATION! Acquired 1962 at \$750; its present catalog value (too low in keeping in its minuscule issue) is	1,400.00
2108 . .	1889 Prooflike with yellow patina, tiny nick. ONLY 2,429 ISSUED! Last year of issue. Should certainly bring its 1962 cost of	500.00

Superior strike to the recently sold Shuford specimen (May sale by Kosoff) therein described as "About Extremely Fine with characteristic weakness of 8 extends through LL in DOLLAR". CALIFORNIA \$1 GOLD, OCTAGON

Struck to alleviate the shortage of "small change" during the "Gold Rush" and period following (1852-1882). Attributed according to Burnie.

2178 . . Burnie 13, undated, Defiant Eagle holding scroll similar to the famous "\$50 Gold Pieces" of 1851-52, near uncirculated. NOT IN LEE; BURNIE DID NOT SEE ONE BUT LISTS IT ONLY AS "REPORTED". Could very well be "UNIQUE" as claimed by owner. Acquired 1959 sale when it was valued \$350; these coins have more than doubled in value since then, therefore it could now exceed	700.00

CALIFORNIA \$½ GOLD, OCTAGON

2188 . .	Burnie 5, 1853 Liberty Head (Large) 13*, F D, PEACOCK REVERSE (eagle?) with 50 CENTS instead of usual "\$½" as on most varieties, PROOF. Burnie lists this in only uncirculated therefore this PROOF MAY BE UNIQUE! RARE TYPE AND CONDITION! From a 1959 sale at \$175, therefore it should now exceed	350.00
2189 . .	Burnie 6, 1853 Similar obverse but F D below bust instead of at side, EAGLE HOLDING RIBBON REVERSE SIMILAR TO FAMOUS \$50 CALIFORNIA GOLD "SLUGS" OF 1851. PROOF. Judging from the sketchy description in Burnie, he probably did not see a specimen! EXTREMELY RARE VARIETY OF A HIGHLY DESIRABLE "TYPE" COIN. From the famous Newcomer collection. In 1954 Burnie valued this GREAT RARITY at \$150 (much too low even then for the then low price level); 5 years later (1959) it reached the \$500 value level. We believe this remarkable coin now worth closer to	1,500.00
2190 . .	NOT IN BURNIE OR LEE, 1855, obverse similar to Burnie 18 (Lee 11) but DIFFERENT REVERSE which closely resembles B-14 (not B-14A) but date 1855 and no star in opening or wreath, PROOF. VERY RARE INDEED! Easily worth over	250.00

An UNLISTED variety. Valued in 1959 at \$100, we feel it should now be worth over	200.00
2193 . .	NOT IN BURNIE, 1876 Indian Head (Large) 13*, reverse resembles B-77 with "½ DOLLAR" in wreath, PROOF. An UNLISTED variety. Valued in 1959 at \$150, we feel it should now be worth over	300.00
2194 . .	NOT IN BURNIE, 1876 Liberty Head (small) 13*, reverse resembles B-86 with bow knot and ribbands, crudely struck as mentioned in Burnie, PROOF. Valued 1959 at \$150, we feel it should now be worth over	300.00

\$50 1852 CALIFORNIA GOLD "SLUG"

2202 . .	\$50 1852 Octagon, UNITED STATES OF AMERICA FIFTY DOLLARS. around eagle holding ribbon and outer edge AUGUSTUS HUMBERT UNITED STATES ASSAYER OF GOLD CALIFORNIA, engine-turned reverse similar to watch-cases of the period (Humbert was a watch-case maker prior to his appointment as U.S. Assayer of Calif.) very fine obverse with traces of luster. (typical shallow struck outer lettering of left obverse and small planchet flake as struck) reverse not too far from Uncirculated with only 2 or 3 pinpoint nicks to mar its beauty. Superior to the usual specimen as most of these large soft coins seem to have acquired a number of bumps during their extensive use in the short period they circulated. Popular as the coin most closely associated with the "Golden West". Since they contained slightly more gold than their face value, they did not long survive the melting pot. We note this 1852 variety has appeared in a ratio of about 1 to 10 of the 1851 varieties over the last 35 years since we have been professional numismatists.	2,750.00

IMPORTANT MESSAGE

For years we have counseled and helped advise those wishing to acquire coins and currency as an investment. We define investors as those willing to adopt a program envisioning a minimum of several years. Suffice to say — that in our **thirty-five years as professional numismatists** the results have been most gratifying.

We believe the various reference books are excellent guides — **BUT ONLY THAT.** We doubt if an intelligent person would attempt to become his own “lawyer” after reading a law book, or give himself medical treatment after reading a medical book.

Why then would an intelligent collector, who devotes himself part-time to numismatics, feel he would be as well equipped to give the best answers in building a numismatic investment as part of his estate, compared to a **PROFESSIONAL WHO HAS DEVOTED OVER A THIRD-OF-A-CENTURY TO THE STUDY AND RESEARCH OF NUMISMATICS AS A FULL-TIME PROFESSION.**

The very nature of this type of **PERSONAL COUNSELING** (A. M. or Paul Kagin) precludes it becoming a widely offered service. We are prepared, at this time, to continue offering this service to an additional few discriminating collectors as replacements for the normal attrition which has transpired during the past year.

We feel the experience gained in cataloging over 275 sales (a record that speaks for itself) enables us to offer the ultimate in counseling service.

The relationship with our clients is (as has always been our policy) of a fiduciary and confidential nature.
